

Neeraj Narwariya

■ 9644353071 ■ vaishnavinarwariya461@gmail.com

■ Career Objective

Creative and analytical IIT Jodhpur student passionate about Artificial Intelligence, Video Editing, and 3D Modeling. Aiming to contribute to impactful AI and digital-creation projects.

■ Technical Skills

Python Numpy Matplotlib Machine Learning Data Analysis SQL AI Tools JupyterLab, KNIME, MySQL Workbench

■ Creative Skills

Video Editing (Premiere Pro, CapCut) 3D Modeling (Blender) Design Tools (Canva)

■ Languages

Hindi
English

■ Education

IIT Jodhpur — Current Student

■ Important Tasks Completed

Developed ML model for Titanic dataset submission
Created KNIME workflows for automation
Designed data analysis dashboards using Excel/Sheets
Performed SQL database creation & queries in MySQL Workbench
Completed Python mini-projects including AI-assisted data generation
Visualized datasets using Numpy + Matplotlib
Created structured flowcharts for AI-based projects

■ Certifications

Kaggle 5-Day AI Agent Certificate
Python / Numpy / Matplotlib Activities
MySQL + KNIME + Excel analytics tasks
AI-based project and workflow submissions

■ Achievements

Highest Attendance Award

■ Hobbies

Chess, Creative digital projects
